

The Training You Need, The Way You Need It

HirePotential provides a range of disability training tools so you can find the method that works best for your organization. Whether it's online eLearning, webinars or the use of eBooks, we want to partner with you to help your company become more inclusive toward individuals with disabilities and take your organization to a new level of success.

HirePotential is proud to offer exclusive, certified disability awareness and inclusion training courses for Recruiters, Hiring Managers, Co-workers, IT, HR, Diversity, C-level, Compliance, Customer Service, and Risk Management.

eLearning Course: Accessibility eLearning Bundle

Learn the essentials of accessibility and why it's important—all with one smart eLearning Bundle. You'll get our popular Accessibility 101: The Facts Course as well as our Design Course in one time and money-saving package. These two essential courses will provide an invaluable foundation for ensuring your website is compliant and working hard to provide a competitive advantage for your organization.

Get everyone on your HR and IT teams working from the same playbook and understanding why accessibility for all web visitors can actually be mission critical to your business. Invest in your organization and get everyone up to speed with ADA/ADAAA regulations today. Start ensuring your website is compliant with

government accessibility guidelines and start making your site more engaging for everyone.

The Web Accessibility Starter Kit Bundle includes;

eLearning courses:

Web Accessibility: The Facts

Web Accessibility: The Design
